Dear Mr. Diehl:

The new weigh-in policy for college wrestling has been a major move forward for the sport of wrestling. The one hour weigh-in before dual meets and tournament competition has allowed athletes to focus once again on the sport of wrestling rather than the sport of making weight.

I feel certain that all levels of wrestling would benefit greatly if they adopted the NCAA policy on weigh-ins and making weight. Safety when making weight needs to be a priority at all levels of wrestling. The NCAA policy on weigh-ins and making weight has taken the lead and the sport of wrestling at all levels should follow their example.

Sincerely,

John W. Smith
